

XIAOMAN TOOLS

INDUSTRIAL CUTTING TOOLS & ABRASIVES

Product Catalogue.

Factory-direct drill bits, saw blades, abrasives and power-tool accessories — quality-checked and ready to ship under your own brand.

VOL. 2026 DIRECT FACTORY SUPPLY SHANGHAI · CHINA

Your one-stop cutting-tool partner.

Xiaoman Tools (Shanghai Daoge Xiaoman Tools Co., Ltd.) is a factory-direct supplier of industrial cutting tools and power-tool accessories. From a single container we consolidate drill bits, saw blades, abrasives, screwdriver bits and threading tools — inspected and ready to ship under your own brand. One partner for your full range, with flexible MOQ and complete OEM / ODM support.

Factory-Direct Pricing

We source straight from specialist production lines — no extra trader markup.

Pre-Shipment QC

Dimensional & visual inspection on every order before it leaves China.

OEM & Private Label

Laser branding, custom labels, printed boxes, blister & retail packs.

Flexible MOQ & Mixed Loads

Combine categories into one container — no dead stock, no idle capital.
